

we are tomorrow

SUMMER STUFF

ROAD TRIP! OK. NEXT. I get back from Latvia on July 21st. The next day *Captain America*, the next installment of AVENGERS is released. But I will not be ready yet. So let's plan on going to Madison to see it in 3D on **Saturday, July 30th**. I'll check times and let you know when we are leaving from Church. UNO's pizza afterward of course. Feel free to invite your friends.

BRISTOL FAIRE? I am in Germany on vacation the middle part of August. But I will be back in time to head to Bristol Faire again this year on either **August 27th** or September 3rd (Labor Day Weekend). I am up for it if people want to go again this year. Let me know if you want to go again and we will schedule it.

CONCERT OPPORTUNITIES: LIFEFEST!

I wish I could go to LifeFest with you this summer. But I will be in Latvia for a month beginning June 20th. LifeFest is July 6th to 10th and, as usual, there is a great group of performers, including SKILLET, SUPERCHIC(K), STELLAR KART, and many more. First Lutheran usually takes a group so if you don't want to go with your parents (which would be a great idea by the way to go) and you have friends at First you can get tickets through them.

YOUR SUMMER IS SET! Every Monday this summer after school lets out there is a special activity **for you** put on by **BDLIVES!** Check with Pastor Bob or **Hans G** on details. Hans will be leading the event each Monday through the summer. FUN! These events are open to all High School students including **incoming HS students**. The first event is **THIS MONDAY at Swan Park at 7 p.m.**

I am planning a knighting rite for Sunday, August 28th.

We are tomorrow!

Pastor Bob.
